

NorthEast Texas

H. R. C.

**Northeast Texas HRC, Inc.** is a charter member of **The National Hunting Retriever Club, Inc.** and is affiliated with the **United Kennel Club, Inc.**, the world's largest working dog registry. UKC, Inc. licenses our hunts, maintains our retriever's points, and awards titles to qualified retrievers.

We invite you to join us at the local level in training your hunting dog. You will find the members of HRC to be very helpful and friendly. The more you put into your retriever and your Club, the more you will benefit.

# History of Northeast Texas Hunting Retriever Club, Inc.

We obtained our Charter in 1997 and since that time we have held a licensed hunt test every spring. Our hunt test date is usually the last weekend in March unless that date conflicts with Easter. We hold monthly meeting on the third Tuesday of the month and we also try and hold a club training day every month except for the period when duck season is open. We strive to exhibit our national creed as a family oriented organization "Conceived by Hunters, for Hunters".

# Northeast Texas Hunting Retriever Club, Inc.

## HUNTERS - Do You Own A Retriever?

Would you like to see your dog become a

***better* hunting companion?**

Do you find training books and videos helpful, but wish you could

**find a group to train with?**

Do you believe a good retriever is an important wildlife

**conservation tool for the hunter?**

Do you wish you could send your dog to an **unseen downed bird?**

Would you like to be part of a national organization "Conceived by Hunters, for Hunters" that helps bring people together to train their hunting dogs and test the dogs in realistic hunting situations?

**Contact: Shane Weems (903) 576-4095 or Sib Sibila (903) 825-3905 regarding:**
